

with love and thanks

Dear Debbie and Paul,  
Just a note of thanks for  
everything you did for my mum  
Irene Swann and myself.

Mum was so lucky and fortunate  
to have a very special carer in Sue  
and I couldn't have wished for  
anyone better to leave mum with  
when I went out, and also for  
the care she gave mum which  
was unmeasurable and professional.  
All the carers have been lovely too.  
Thank you for being flexible and putting  
up with my ever-changing rota.  
I wish you both every success with Angels  
Love in the future. With love Sandra xx
